

READ THIS BEFORE YOUR NEXT REVIEW / 20-YEAR PROJECTION

How much are you actually overpaying?

The number you've never been shown.

YOUR LIFETIME FEE GAP

20-YR PROJECTION · 9% GROWTH · \$1M START

\$952,400

That's how much more you'd keep with our **flat \$100/month fee** instead of a 1% AUM advisor over 20 years. Same fiduciary advice. Same portfolio management. Same tax-aware planning. Same person doing the work.

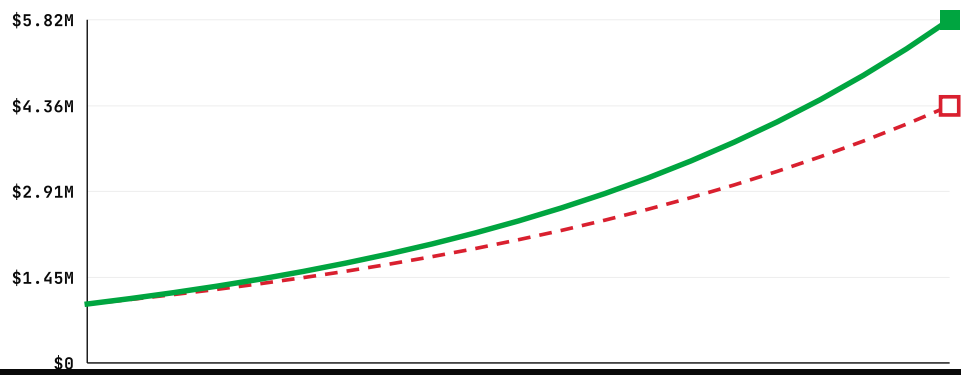

001 · THEIR LIFETIME

\$472,930

1% AUM ADVISOR · 20 YRS

Your money, two paths.

\$100/MO FLAT VS. 1.00% AUM · BOTH AT 9.0% ANNUAL GROWTH

David J. Van Osdol

CFA CHARTERHOLDER • CFP® PRACTITIONER • CONNECTICUT

I built Smarter Way Wealth because **the percentage-fee model no longer matches the work**. You shouldn't pay 5x more just because you saved 5x more.

A flat **\$100/month retainer** covers the same fiduciary planning, portfolio management, tax-aware rebalancing, and real-estate analysis — without the silent escalator.

“Fees are one of the few things in investing that are entirely within your control.”
